INFECTION CONTROL FOR THE DENTAL OFFICE

September 29, 2018; November 10, 2018
or January 19, 2019
(All dates are Saturdays)

8:00 am – 12:00 pm (Registration 7:30 am)

$135

4 CEU
Continental breakfast included

SYNOPSIS:
This course is designed to provide the NSBDE required training for dentists and hygienists. This course has also been approved for 2 hours of continuing education credit by the CDA and complies with the California Code of Regulations 1005 – Minimum Standards for Infection Control.

Infection control guidelines as developed by the CDC will be addressed. Participants will review the scientific evidence about dental infection control issues and current CDC recommendations for minimizing the potential for disease transmission in the dental setting.

SPEAKER:
Edward Herschaft, DDS
Dr. Herschaft received a DDS from West Virginia University School of Dentistry, a certificate in oral and maxillofacial pathology from the Medical University of South Carolina (MUSC). He is Professor Emeritus - MUSC College of Dental Medicine, Professor of Biomedical Sciences - University of Nevada, Las Vegas (UNLV) School of Dental Medicine, and Guest Professor - Medical School of Nankai University in Tianjin, China. Dr. Herschaft is one of the quality assurance officers for the UNLV School of Dental Medicine. He is a Diplomate of the American Boards of Oral Medicine and Forensic Odontology and Fellow of the American and International Colleges of Dentists, AAFS and Pierre Fauchard Academy.

LEARNING OBJECTIVES:
At the end of this course, participants should be able to:

- Describe universal and standard precautions
- Identify and describe disease transmission and infectious hazards in the dental setting
- Discuss occupational exposures and prevention, post-exposure management and prophylaxis to bloodborne pathogens
- Establish objectives, goals, and management of an infection control program in the dental setting

REFUND/CANCELLATION POLICY – You may cancel 5 days before course begins and receive a full refund. Cancellations must be in writing. NO REFUNDS WILL BE MADE FOR CANCELLATIONS AFTER 5 DAYS PREVIOUS TO THE DATE OF THE COURSE. Fees paid by check will be refunded by check and may require four to six weeks for processing. If you enroll in an Advance Registration, your payment will be credited toward registration fee for an advanced registration course.

UNLV School of Dental Medicine designates this activity for four (4) continuing education credits.

UNLV School of Dental Medicine is an ADA CERP Recognized Provider.

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP). ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. 

UNLV School of Dental Medicine designates this activity for four (4) continuing education credits.
