INFECTION CONTROL FOR THE DENTAL OFFICE

January 19, 2019; March 16, 2019; April 13, 2019; May 11, 2019
(All dates are Saturdays)

8:00 am – 12:00 pm (Registration 7:30 am)

$135

SYNOPSIS:
This course is designed to provide the NSBDE required training for dentists and hygienists. This course has also been approved for 2 hours of continuing education credit by the CDA and complies with the California Code of Regulations 1005 – Minimum Standards for Infection Control.

Infection control guidelines as developed by the CDC will be addressed. Participants will review the scientific evidence about dental infection control issues and current CDC recommendations for minimizing the potential for disease transmission in the dental setting.

SPEAKER:
Edward Herschaft, DDS
Dr. Herschaft received a DDS from West Virginia University School of Dentistry, a certificate in oral and maxillofacial pathology from the Medical University of South Carolina (MUSC). He is Professor Emeritus - MUSC College of Dental Medicine, Professor of Biomedical Sciences - University of Nevada, Las Vegas (UNLV) School of Dental Medicine, and Guest Professor - Medical School of Nankai University in Tianjin, China. Dr. Herschaft is one of the quality assurance officers for the UNLV School of Dental Medicine. He is a Diplomate of the American Boards of Oral Medicine and Forensic Odontology and Fellow of the American and International Colleges of Dentists, AAFS and Pierre Fauchard Academy.

LEARNING OBJECTIVES:
At the end of this course, participants should be able to:

- Describe universal and standard precautions
- Identify and describe disease transmission and infectious hazards in the dental setting
- Discuss occupational exposures and prevention, post-exposure management and prophylaxis to blood borne pathogens
- Establish objectives, goals, and management of an infection control program in the dental setting

REFUND/CANCELLATION POLICY - You may register up to the date of the course. After is in space available. We reserve the right to cancel courses 30 days or more in advance of the scheduled course date. We recommend that you delay reserving air flights and hotel rooms until this deadline passes, as expenditures for this purpose are not reimbursed by UNLV. Any course cancelled by the school will result in a return of course registration fees or fees may be credited to future courses. If you cancel at least 30 days prior to the course date, your total course fees will be returned. If you cancel within 30 days, but more than two weeks prior to the course date, a 20% administrative fee will be assessed. Any fees paid by check will be reimbursed by check and may require four to six weeks. Credit card payments will be credited to the card used for course registration. If you cannot within two weeks of the course date you will not receive a refund, but your payment can be applied to a future course. Course credit must be used within one year from original program date.

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP). ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

UNLV School of Dental Medicine designates this activity for four (4) continuing education credits.
