Dr. Joseph Massad lives and practices in Tulsa, Oklahoma. He has advanced the field of removable complete prosthodontics, perfecting the true art of creating smiles as natural as nature intended them to be. He conducts extensive national and international continuing education programs for the dental profession and holds several product patents he created to ensure that his patients receive the most comfortable fitting prosthesis available.

**Neuromuscular Denture and Digital Applications**

**WHEN:** Friday, January 24, 2020  
8:30AM-12:30PM  

**WHERE:** UNV School of Dental Medicine  
1001 Shadow Lane  
Las Vegas, NV. 89106  
B-1 Classroom

**TO REGISTER:** Seating is limited. Please call  
702-774-2645 or email  
victoria.arthur@unlv.edu

**EVENT COST:** $295.00  
**CE CREDITS:** 4 CE Credits

This lecture will go over the entire process in the fabrication of the neuromuscular prosthesis. While understanding the process the attendees will be introduced to digitally capturing the patient recording by accurate 3D scanning. The process of the step by step wax tooth setup will no longer be necessary once the digital set up is done. Today is now and now the digital setup has been mastered.

*Seating is limited please call 702-774-2645 to register.*
